

## **MTS INDIA SECTION HAS SELECTED FOR OUTSTANDING SECTION BY MTS HQ, USA.**

The seed to starting MTS India was sowed in May 2015 during Underwater Technology Symposium UT-15 in Chennai India. A group of likeminded scientists and some leading marine technology Industries thought that it was the right time to start a MTS chapter in India. The group met a few times and decided to form MTS India. A formal application was filed with the Govt of India in October for registering MTS India as a society and on 30th Dec 2015 MTS India got the official approval from the registrar of societies. A New Year gift for all of us.

MTS India officially incorporated on 30th Dec 2015 with its aims and objectives of giving its members of academia and industry a common forum for information and idea exchange.

Today, MTS- India section is a growing organization, boasting a membership of businesses, institutions, individual professionals and students who are ocean engineers, technologists, policy makers and educators.

**MTS – India’s long-range vision is to be:**

“The leading authority and advocate for marine technology and resources while promoting member success and public understanding.”

**MTS India Section being a young section is proud and humbled in receiving the OUTSTANDING SECTION BY MTS HQ, USA and we will stand by the terms and recognition in future activities also and will continue enlightening young minds in India.**
