### “Motivational Session by Successful Innovators”

MTS Students Chapter – Sairam Bangalore has organized a workshop on **“My Story - Motivational Session by Successful Innovators”** by **Student Innovators**, Sairam Bangalore on **21<sup>st</sup> November 2022** at 11.30am for the first-year students.

A motivational & inspiring session was held to showcase the success stories of student innovators. The session aimed to motivate and inspire other students to pursue their ideas and turn them into successful products.

The session was led by four successful student innovators, who had turned their ideas into successful product and participated in Singapore Autonomous Underwater Vehicle Challenge and stood in top 6 teams among 45 teams from all over the world.

The session began with the team members sharing their stories of how they came up with their ideas and turned them into successful product. They shared their experiences of facing challenges and overcoming them, as well as the lessons they learned along the way.

Each speaker presented their business idea, its development, and its current status. They also discussed their business model, target audience. They emphasized the importance of taking risks, being persistent, and believing in one's ideas. They also highlighted the significance of networking, building a team, and seeking guidance from mentors.

The session also included a Q&A session where the audience had the opportunity to ask questions and seek advice from the team members.
