“Demo Day for Ideas & Projects”

MTS Students Chapter in association with Institution’s Innovation Council – Sairam Bangalore has organized “**Demo Day for Ideas & Projects**” from 19th & 20th Jan 2023.

The participants have exhibited their Ideas & Projects developed by them with demonstration. Projects exhibited during the day are Aqua Culture Monitoring projects AR/VR projects, EV projects, IoT projects and Agriculture related projects. during demo day for the visitors (School & PU colleges), students, faculties and innovation ambassador.

Faculties have interacted with all the participants and given their inputs for the improvements. MTS student Chapter President has extended support the students, alumni members for applying for funds or further development of their idea to product or product to Startup.

We thank all the start-up founders/students for their valuable time in exhibiting their products during expo.
