

Fourth MTS India Student Section inauguration:

MTS board approved formation of fourth student section at New Horizon College of Engineering to expose the importance of ocean related activities to the student community. MTS India Student Section at New Horizon College of Engineering was formally inaugurated by Dr. R. Venkatesan, Chairman MTS India Section at Falconry Hall, NHCE on 24th November 2018.

Dr. R. Venkatesan, Chairman MTS India Section delivered an informative speech about the MTS activities and the opportunities in Ocean Technology for young students. This event was organised by the student section of NHCE along with their faculty coordinator in support.

The banner features the logos of New Horizon College of Engineering and the Marine Technology Society. The text is centered and reads: 'Inauguration of Marine Technology Society Student Section by Dr R. Venkatesan, Chair MTS India Section, Scientist G and Program Director, Ocean Observation Systems, National Institute of Ocean Technology (NIOT), Ministry of Earth Sciences. Date: 24th November 2018 @ 11:30am, Venue: Falconry Hall, NHCE'.
