**1<sup>ST</sup> INTERNATIONAL LEVEL SYMPOSIUM - AIRO 2.0**

on

**03.02.2023**

The poster for the 1<sup>st</sup> International Level Symposium - AIRO 2.0 features a blue background with a stylized circuit-pattern head on the left. It includes logos for Sri Sairam Engineering College, Marine Technology Society, IEEE CTSoc, and IEEE Computational Intelligence Society. The event title 'AIRO 2.0' is prominently displayed in large, glowing blue letters, with the tagline 'LEAP INTO THE FUTURE' and the date '03.02.2023' below it. A QR code is located on the right side. The poster lists technical and non-technical events, a cash prize of 30,000 INR, and contact information for staff and student coordinators.

Department of Artificial Intelligence and Data Science, Sri Sairam Engineering College in association with the Marine Technology Society organized its 1<sup>ST</sup> INTERNATIONAL LEVEL SYMPOSIUM on 3<sup>rd</sup> February, 2023.

The symposium gave participants the chance to share their knowledge, concepts, innovations, and problem-solving strategies while presenting original research on all facets of new scientific approaches for technologies, computational processes, software, and hardware solutions pertaining to particular scientific fields.

The Symposium consisted of various events ,out of which two **technical** event and two **non-technical** events were conducted where student scholars from different part of the country participated and showered their ideas and talents in the respective domain undergoing all the rules and regulations , as a reward of their exposed talents many prizes were also given.

AIRO 2.0 begins with the Opening note by Dr.Swagata Sarkar, Head of the Department of Artificial Intelligence and Data Science. Dr.J.Raja, Dean Academics delivered the welcome address and felicitated our Chief Guests of the day Ms.Zdenka Willis, President, Marine Technology Society and Dr.R.Venkatesan, Chair, MTS India Section.

To hold the memory of the event, a Souvenir was released by Dr.J.Raja and Ms.Zdenka Willis received the first copy of it.

Ms.Zdenka Willis enlightened the participants with the need of technology in the field of marine and Dr.R.Venkatesan highlighted the activities of marine technology society.

Dr. B Shadaksharappa, Principal, Sri Sairam College of Engineering, Bengaluru, Karnataka delivered the Presidential address for the day.

On the day, our department Robot and App were launched by our chief guest.

There were more 300 participants get benefitted from the events organized.

As a mark of supporting the Sustainable Development Goal, We organized a signing campaign for Goal 4 – Quality Education and Goal 9 – Industry, Innovation and Infrastructure.

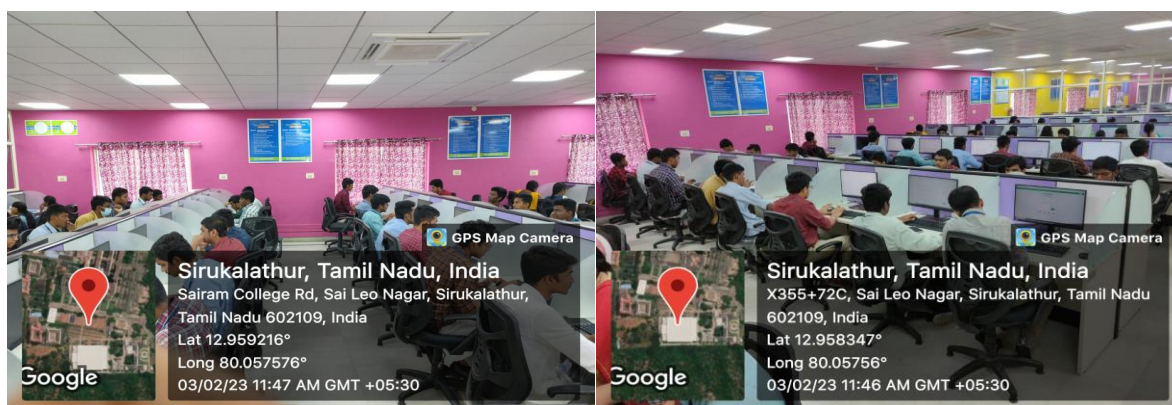

A panel discussion on the topic Impact of Technology in Maritime Studies was organized for the NCC Navy Cadets and Marine Project teams and they got benefitted with discussion they had with Ms.Zdenka Willis.

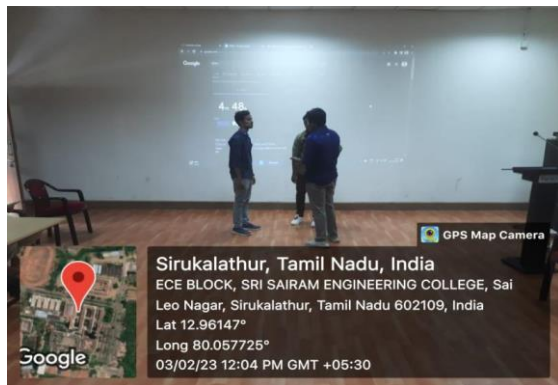

We conducted technical symposium on the name AIRO-THON and EXPO-A-THON, these two events are conducted to enhance the technical performance of students. Two Non-Technical symposium in name BUSINESS MAN and 100% MY FILM
