

BANNARI AMMAN INSTITUTE OF TECHNOLOGY - MTS STUDENT SECTION, SATHYAMANGALAM

ONE DAY AWARENESS PROGRAMME ON OCEAN TECHNOLOGIES FOR HIGHER SECONDARY SCHOOL STUDENTS

Bannari Amman Institute of Technology (BIT) - MTS Student Section has organized "Awareness Programme on Ocean Technologies" in Bannari Amman Public School on 26th July 2017.

The Awareness Programme was initiated by Dr. K Sivakumar, Head of the Department, Mechanical Engineering, enlightened the importance of Ocean Technology studies and motivated the students.

The student section faculty councilor D. Selvamuthukumaran encouraged the students to work on the available abundant resources of ocean in the future. The student members Gokul Prasad C, Madhusharanth S, Ramesh D, Nithin Narayana J, Thangeshwaran D (Treasurer) gave an overview of the Marine Technology Society and Ocean Technologies to the high school students (grade XI). The awareness programme inspired the young brains to explore their knowledge in the field of ocean technology.
