OUTREACH PROGRAM
On
MARINE TECHNOLOGY

28TH SEPTEMBER - 2019

D.A.V PUBLIC SCHOOL, VELACHERY

Programme Summary:

The outreach program went right on schedule and it was a great success, efforts of the members of the AMET-MTS student chapter and that of the faculty advisors were substantial. The hospitality of the D.A.V. Public school, Velachery was overwhelming and the students of Class XII showed great interest and supported us throughout the programme. A total of 198 students of Class XII participated in this event.

The programme was introduced by Dr.B.M.Shameem, Councilor, AMET-MTS, with an introduction to Marine Technology Society and AMET. An interactive session with students was then organized to understand the knowledge level of students on Marine sciences and technology. As it turned out, the students had comparatively good knowledge about the marine field and they were competitive in answering the questions, even more they were asking many questions to the members as they were very curious.

After the interactive session, the AMET-MTS student members discussed on various topics such as Marine technology and various domains; How ships are built?; Underwater vehicles and new

generation ships and awareness on keeping the ocean clean. This made the students to involve more in the programme as it contained more information on Marine Technology and its sub domains. The presentations were well prepared with contemporary pictures and videos regarding ship construction, launching, underwater vehicles, and future of shipping.

An open quiz was conducted based on the topics discussed and also on the various safety measures taken during voyage. Followed by the quiz session, a presentation on the job perspectives in maritime sector is discussed with the students and emphasized on the need for dedicated engineers with specialized skill sets.

Before concluding the programme, the students were participated in Just a minute (JAM) session and spoke about what learnt out of the outreach program. A souvenir was presented to the principal, DAV School and various prizes for the winners were distributed. Overall the programme was a great success.

Glimpses of the programme:

Members Participated:

Faculties

1. Dr. B.M. Shameem
2. Patel Akshar
3. Himanshu Uppal
4. Y Gopi Krishna

Students

4th Year:

1. Vyshakh
2. Shivam Mehrotra
3. Abhiroop K
4. Shijo C
5. Akhil M

3rd Year:

6. Nithish Balaji
7. Vikram
