

Report on

“Innovation Outreach Program”

MTS students’ chapter in association with Institution’s Innovation Council – Sairam Bangalore has organized **“Innovation Outreach Program”** at Swamy Vivekananda Rural PU College on **29th Dec 2022** by Young Innovators & MTS Coordinators of our Institution.

The Innovation Outreach Program is designed to provide students with the necessary skills and knowledge to transform innovative ideas into successful businesses. The program aims to promote innovation by providing participants with the necessary tools and resources to succeed.

Second part of the workshop, young innovators from the institution explained emerging technologies on which students can concentrate and work on innovative projects. Students also showcased their products related to AR & VR, AUV, Surface Vehicles for Aqua Culture etc. Students had hands on experience on those products.

The workshop provided participants with the necessary knowledge and skills to develop and launch their ideas. The mentorship component pairs participants with experienced entrepreneurs who provide guidance and support throughout the process.

The program provided a supportive community of like-minded individuals who are passionate about innovation. Participants left the program with the necessary skills and knowledge to turn their innovative ideas into successful businesses.
